

SHIVA NEUPANE

Bloomfield, NJ | +1 862-220-1982 | sneupane5@caldwell.edu

SUMMARY

Motivated Computer Science student at Caldwell University with a strong foundation in technology and mathematics. Skilled in programming, web development, and problem-solving, with a focus on algorithms and Discrete Mathematics. Recognized for academic excellence through scholarships and eager to gain hand-on-experience in math-driven tech projects.

EDUCATION

Caldwell University, Caldwell, NJ

- Bachelor of Computer Science (Expected: May 2028)
- GPA: 3.90/4.0

Manimukunda Secondary School, Butwal, Nepal [2020-2022]

- High School [Basic Mathematics & Computer Science]
- GPA: 3.65/4.0
- SAT MATH: 730

HONORS AND AWARDS

- Presidential Scholarship
- Honors Scholarship

RELEVANT COURSEWORK: Computer Programming I & II, Discrete Mathematics (A+), Calculus I, Front-End Web Development, Communication Skills, College Writing

ELECTIVE COURSES:

CS250 by Harvard [Harvard]

The Complete Python Programming [Udemy]

SKILLS

Programming Languages: Python, C, C++

Mathematics: Algebra, Discrete Mathematics, Calculus

Systems: Windows, Mac OS

Tools/Technologies: MS Office, Google Suite, Git

Web Development: HTML, CSS, JavaScript

Strong Analytical and Problem-solving Skills

INTERESTS

Software Development, Web Development, Mathematics, Gaming and Esports
